EATON'S OF CANADA

Serves the Nation

Good service to customers has always been a cardinal principle of the EATON business. The corner-stone of EATON'S relations with the buying public has been the confidence-inspiring Guarantee of "Goods Satisfactory or Money Refunded". Unchanged since opening-day at EATON'S in 1869, this unequivocal contract with our customers has done more than any other single thing to maintain the policy of fair dealing which was Timothy Eaton's ideal of business.

Another hard-and-fast rule for the protection of our customers which may not under any circumstances be broken or sidestepped is that of Truth in Advertising. The first requirement of EATON Advertising is "to mean what it says and say what it means". Colour and interest in writing must be based on fact and every precaution is taken to prevent misrepresentation in copy or illustration.

Pioneers of Progress

HON. W. R. MOTHERWELL
Fighting Farmer from Sintaluta

Drawing by Donald Harvey,
a Saskatchewan Artist.
CSPC

... served western farmers for 58 years.

When early farmers found themselves at the mercy of the grain buyers and the railroads, "W. R." came to the fore. On Dec. 18, 1901, at Indian Head, the Territorial Grain Growers Association was formed, with "W. R." as its first president. Recognition was given to his leadership and success in the farmers' struggle, when he became Saskatchewan's first Minister of Agriculture, and later federal Minister of Agriculture.

Hon. W. R. Motherwell—Grand Old Man of Canadian Agriculture—a true Pioneer of Progress.

In 10 years electric power has been brought to over 59,000 rural customers. 1961 should see the completion of the farm electrification program, with power available to 98% of our rural population. In addition, natural gas has been brought to 93 villages, towns and cities, making this cheap fuel available to those serving agriculture in the industrial field.

As with "W. R.", the Saskatchewan Power Corporation is a prairie Pioneer of Progress, working to improve Saskatchewan agriculture.

YOUTH ACTIVITIES

The Provincial Exhibition at Regina leads the way in Western Canada in the development of its 4H and youth programme. It was, for instance, the first major Exhibition to build a modern building devoted entirely to 4H Exhibits. Listed below are some of the features of the programme. Anyone interested is invited to enquire about any phase of this work. The Directors of the Regina Exhibition Association are convinced that a major contribution can be made to the life of all people in our Province through the Junior Activities programme and they are anxious that it be extended and expanded as quickly as possible. In doing so they recognize the assistance and co-operation of the Extension Department, University of Saskatchewan, Provincial and Federal Departments of Agriculture, commercial firms and others who are assisting in various ways.

Committee: W. A. Thomson, Chairman; C. W. Gibbings, J. H. Coles, J. R. Foster, Chas. Harlton, R. E. McKenzie, S. P. Regan, George W. Robertson, W. A. Small, G. M. Strudwick, R. D. Ramsay representing University of Saskatchewan.

Girl's Camp Committee: Mrs. M. D. Thomson and Mrs. E. Hunt.

BOYS' CAMP

For boys 14 to 18 years of age. A team consists of four boys and an adult supervisor. A team should be sponsored by some local organization. Camp opens on the evening of Monday, July 31st. Boys will register at Camp Headquarters. First meal served on Tuesday morning. Boys will remain in Camp until Thursday evening or Friday morning. The three days programme features competitions in judging Beef Cattle, Dairy Cattle and Bacon Hogs. Other competitions are the identification of weeds and identification and use of farm tools. Several instructional periods, visits to points of interest in the City along with entertainment complete the programme. There are generous prizes and trophies in all competitions.

All applications to enter teams in the Farm Camps should be sent to the Director, Extension Department, University of Saskatchewan, Saskatoon.

A Mantle Memorial Scholarship of \$200.00 and an Imperial Oil Limited Scholarship of \$100.00 will be awarded to boys from the 1961 Boys' Camp and will be usable at the College of Agriculture, Saskatoon, or the School of Agriculture, University of Saskatchewan, within seven years. Application for the scholarship will be received immediately after the close of the Camp and in making the award the committee will take into consideration the following points:

1. High individual standing in the judging competitions held at the Camp.
2. Ability of the applicant to attend one of the regular courses at the College of Agriculture or the School of Agriculture, University of Saskatchewan.
3. The age, character, educational attainment and general fitness of the applicant.

THE AMANDIS

Originally from Denmark, the Amandis represent the 'tops' in their field. They have played in the largest amusement centres in Europe and North America, including four appearances on the Ed Sullivan Show. They will entertain people nightly on the grandstand programme at the 1961 Exhibition.

GIRLS' CAMP

This Camp is also conducted under the supervision of representatives of the Extension Department, University of Saskatchewan. Teams consist of three girls, 14 to 18 years inclusive as at July 1st. Girls stay in Camp, arriving Monday evening, July 31st or before 8.00 a.m. Tuesday and are free to leave after 8.00 p.m. Thursday or may stay until Friday morning. This year each girl must enter a skirt made by herself. For further instructions and application for entry, enquiries should be directed to Supervisor of Girls' Work, Extension Department, University of Saskatchewan, Saskatoon, Sask.

9th ANNUAL 4H THEMATIC DISPLAYS COMPETITION

Thematic Displays built and attended by 4H Clubs will be found in the new 4H Building. The Director of 4H Club Work each year selects those Clubs to participate. An Interprovincial Competition is arranged by bringing the first prize display from the Calgary, Edmonton, Brandon and Saskatoon Exhibitions to Regina.

The Thematic Displays are sponsored jointly by National Grain Company Limited and Northwest Nitro-Chemicals Ltd. These two firms have kindly provided the generous prize money offered in these competitions. Display space, sleeping accommodation and meals are provided without charge by the Regina Exhibition Association. Displays and club members in charge are under the supervision of the Director of 4H Clubs, Extension Department.

4H BEEF HEIFER PROJECT

Special classes are provided for 4H members, either individually or in Clubs to show beef heifers under this project. Classification and prizes are listed in this prize list at the end of the Beef Cattle section.
